## Spring Cleaning Tips!!!

### Great cleaning tips to get ready for the Spring:

- When you dust, start at the top and work down.
- Leave baking soda on carpeting over night to absorb musty odors.
- Make a checklist of chores to get organized first.
- Use old socks as mitts for cleaning difficult wood work.
- Wash small knickknacks instead of dusting.
- To remove heel marks, take a pencil eraser and rub them off.
- Don't mix cleaning products. Ammonia and bleach are toxic.
